Re: WSF 2023 Annual Report #10008

This letter outlines the annual progress report for the Water Sustainability Fund (WSF) Grant #10008, titled Western Water Use Management Model Update and Extension (WWUMM Update and Extension). The WWUMM Public Outreach Educational Portal and Modeling Update had not completed any work before July 2023. Per the grant application, work under this grant will begin in the Natural Resources District's Fiscal Year 2023/2024, with the project starting in July 2023.

The total project budget is \$400,000, with WFS contributing \$240,000 and the South Platte and North Platte Natural Resources Districts contributing \$160,000.

Please let us know if you have any questions.

Sincerely,

Galen Wettrock  
General Manager SPNRD
