

Small Watersheds Flood Control Fund Agreement
between
the State of Nebraska Department of Natural Resources
and

(Organization name)

This Agreement is entered into by and between the Nebraska Department of Natural Resources (Department) and _____, for the administration
(Organization name)
of Small Watersheds Flood Control Fund (Fund) authorized by the Nebraska Revised Statutes §§ 2-1502 to 2-1503.03 (2007). This Agreement applies to _____ structure/s described as
(quantity)
follows: (Include names of all structures, tract numbers, and land rights to be acquired for this project.) _____

_____ in the _____

watershed, as shown on the attached map. The number of land rights (land, easements, rights-of-way, etc.) purchased by the Organization must be a minimum of seventy-five percent of the rights required for this project.

If money from the Fund is approved by the Nebraska Natural Resources Commission (Commission) for the project/s identified in this Agreement, the Organization agrees to observe and abide by all applicable Nebraska statutes and all applicable rules, regulations, and policies of the Department and the Commission.

This agreement becomes effective upon signature by both parties and will remain in effect as long as the Organization retains an interest in lands subject to this Agreement and which were acquired, whether as title, easement, or right-of-way, with assistance from the Small Watersheds Flood Control Fund.

Execution of this Agreement was authorized by the Organization's governing board on _____, 20____.

(Organization)

By _____
(Authorized Representative)
